HD FLEET MOTOR OILS

Lubriguard™ 15W-40 CJ-4/SM Engine Oil – CJ-4 represents the highest level of engine protection and performance ever built into a new lubricant specification. It is formulated to provide improved wear protection, deposit and oil consumption control, soot-related viscosity control, prevention of viscosity loss from shearing, used oil low-temperature pumpability and protection from thermal and oxidative breakdown. It also contains a sophisticated additive system that is specifically designed to improve the protection of advanced emission control systems such as diesel particulate filters. It is suitable for use in almost all foreign and domestic diesel engines for both the latest 2007 emission compliant and older engines.

Product Description	12/1 qt	3/1 gal	1/5 gal	55 gal drum	Bulk
Lubriguard™ 15W-40 CJ-4/SM	702941	702958	702543	702545	11250

Lubriguard™ Synthetic 5W-40 CJ-4/SM Engine Oil is fully formulated with synthetic base stocks. It provides improved fuel economy, compared to conventional SAE 15W-40 oils. It is formulated to provide improved wear protection, deposit and oil consumption control, soot-related viscosity control, prevention of viscosity loss from shearing, used oil low temperature pumpability and protection from thermal and oxidative breakdown. It also contains a sophisticated additive system that is specifically designed to improve the protection of advanced emission control systems such as diesel particulate filters. It is suitable for use in almost all foreign and domestic diesel engines for both the latest 2007 emission compliant and older engines.

TRANSMISSION FLUIDS

Coastal® DexMerc® Automatic Transmission Fluid is recommended for use in all 2005 and earlier GM automatic transmissions. Not for use where DEXRON®-VI is required. Recommended for 1981 to 1996 Ford automatic transmissions (except those requiring Type F, or Mercon® V). Meets or exceeds the performance requirements of Allison TES 389.

Product Description	12/1 qt	6/1 gal	1/5 gal	55 gal drum	Bulk
Coastal® DexMerc® ATF	19501	19505	19509	19512	19500

Coastal® DEXRON® VI ATF is recommended for all 2006 and later GM vehicles with Hydra-Matic® automatic transmissions. It is fully back serviceable for DEXRON®-III (H), (G), III, IIE and II applications. Meets GM specification GMN10060.

Product Description	12/1 qt	55 gal drum	Bulk
Coastal® DEXRON® VI ATF	19554	19552	19500

Coastal® Type A Automatic Transmission Fluid is recommended for use in all automatic transmissions and power steering units requiring Type A Fluid.

Product Description	12/1 qt	55 gal drum
Coastal® Type A ATF	11501	11512

Coastal® Type F Automatic Transmission Fluid is recommended for use in all automatic transmissions and power steering units requiring Ford Specification M2C33-F.

Product Description	12/1 qt
Coastal® Type F ATF	19601

Coastal® ATF+4® is formulated specifically for Chrysler transmissions to meet ATF +4® Material Specification MS-9602, ATF +3® Material Specification MS7176E, ATF +2®, and ATF.

Product Description	12/1 qt	55 gal drum	Bulk
Coastal® ATF+4	29201	29212	29200

Coastal® Multi-Vehicle Synthetic Blend Automatic Transmission Fluid is a premium quality, semi-synthetic transmission fluid designed for use in automatic transmissions in most domestic and import passenger cars and light trucks. Approved for applications requiring MERCON® V. Not for use in transmissions requiring Ford Type F, DEXRON® VI, MERCON® SP, LV or in Continuously Variable Transmission (CVT) applications.
