Serious Tools for Serious Sales Growth

HYDE® is the brand of choice for retailers and wholesalers who are serious about growing sales. Our high-quality tools are competitively priced and supported

Every label bears the distinctive HYDE® branding. Brick & Mortar colors are accented by HYDE® Yellow for added retail POP. Designed for visibility, ease of tool selection and visual appeal.

Tool name in English and Spanish

Backed by a lifetime guarantee

Selection information is prominent

Bulleted uses, features and benefits that give customers a reason to buy

UPC on back of tool

by memorable merchandising and advertising directly to your customers.

America's Favorite Brand

Our brand strength has never been stronger in paint and wall-covering hand tools. HYDE® is America's favorite brand in these categories, chosen two to one by contractors over any other brand for scraping, patching, taping and coating surfaces. Whether purchased by professionals or homeowners, our tools are considered "serious tools for serious users." Our superior

product strength and durability are often backed by a lifetime guarantee.

Tap into the loyal following Hyde Tools has been building for generations. Stock HYDE® brand tools and you can be sure your customers will come back frequently and buy often.

Are You Serious About Sales? Get HYDE®

Get Serious About the Remodeling Market.

Get HYDE®

In this catalog, you will find more than 700 specialized tools for use in new construction, repair, remodeling and restoration projects. HYDE® tools are especially suited to home remodeling, where the fastest retail growth is expected for the foreseeable future. As aging Baby Boomers remodel more but do less of the work themselves, this hot market is stimulating more and more work for general contractors. These are the same pros who rely on HYDE® for high-quality professional tools!

Our high-impact assortments have helped our customers more than double Hyde's market share. We can help you grow sales, too! Call 800-USA-HYDE (872-4933) for merchandising assistance.

Market Leadership

The only brand in our category that invests in pull-through advertising. HYDE® tools are advertised directly to contractors and serious DIY users. More than 27 million impressions in a single year! We also advertise in Spanish to bring the fast-growing number of Hispanic contractors into your store.

Brand Leadership

Research studies show HYDE® as the leading brand in surface preparation hand tools.* The HYDE® brand has more than doubled since 2001, giving us a two-to-one edge over any other brand of paint tools!

*Results of independent research studies per PDRA Market Research

Paint & Surface Preparation Tools

Hyde Tools is a long-time leader in surface preparation and finishing. From specialty scrapers to time-saving spray tools, HYDE® continues to redefine the painting process for contractors in the remodeling, restoration and building industries.

For a better finish, start with HYDE.™

How Paint Pros Cut Corners

Introducing the HYDE® Corner Ease™ Roller and Tray

This professional roller has a multitude of applications. Apply paint or drywall to room corners quickly and easily or tackle awkward jobs like painting gutters, soffits, eaves or corrugated roofing. Every job will go faster, with better results than a brush can deliver, because the 100% lambswool cover creates a tight, professional stipple with no edge marks, drips, gaps, holidays or sloppy “fat” edges. Also available with polyester cover.

Corner Ease™ Combo Pack/Lambswool

Clam Pack, 5.0lb, 4pk **45820**

Replacement Cover/Lambswool

Clam Pack, 0.5lb, 4pk **45850**

Replacement Cover/Polyester

Clam Pack, 0.5lb, 4pk **45860**

Replacement Tray Boxed, 0.5lb, 10pk

45840

100% Lambswool Will Not Shed!

V-shaped hub directs paint into corners or grooves. Use Corner Ease™ with these and many other applications:

- **Painting Corners**
- **Painting & Staining Siding**
- **Mudding Corners**
- **Painting Around Conduit**
- **Priming Rooms**
- **A Must for T1-11 Siding**

9" Dual Action Flex Roller

Finish Painting Faster! Double the coverage in every stroke with this dual action flexible roller from HYDE®. Simply place the top roller on your surface and roll. Spring action will force the bottom roller to follow, spreading paint more evenly over the surface and along the edges. You'll paint faster and more effectively every time. Designed for use with extension poles. Takes 9" standard roller covers. What a simple solution!

U.S. Patent 7007337 Foreign patents pending

Carded, 1.2lb, 5pk **45510**

More Effective than single rollers!

Why Climb When You Can Save Time?

QuickReach® Airless Spray Gun Extension Poles

Available in Fixed or Telescoping Lengths

Forget about difficult ladder placements. Now you can extend your reach from 12 square feet to 212 square feet from a single standing position! Our QuickReach® airless spray gun extension poles come in six lengths, ranging from 3' up to 12'. Perfect for painting stairwells, dormers, ductwork, steel beams, truss work, ceilings and expansive surfaces. Telescoping lengths allow you to adjust pole

length quickly and easily for each job or each painting position. Quick-release lever also lets you switch from extension-mount to handheld gun in an instant. Easy to use and easy to clean, since paint does not pass through the anodized aluminum pole. Adjustable spray angle. Easy-grip trigger. For use with standard guns and tips. U.S. Patents 6378922, 5485960

Item/Pack Size	Item Number
3' QuickReach® Fixed Length Pole (0.91m) Boxed, 3.0lb, 1pk	28200

5-1/2' – 8 1/2' QuickReach® Telescoping Pole (1.66m – 2.59m) Boxed, 7.0lb, 1pk	28240
7-1/2' – 12' QuickReach® Telescoping Pole (2.29m – 3.66m) Boxed, 8.0lb, 1pk	28250

Spray & Roll™ Roller Attachment

Add this time-saving attachment to convert your AnglePRO® into a high-production spray-and-roll system. Combines the speed of spraying with the professional finish of a roller. A vast improvement over old internal feed systems. No leaks. No tools required to change from roller to spray. No messy systems purge needed to change out the roller. Use for block fillers, elastomers, porous surfaces, stucco, wood siding, T1-11, PVA sealers, drywall, ceilings, walls, structural steel and more.

Spray & Roll™ Attachment (Roller only)
Clam Pack, 1.0lb, 1pk **28400**

Spray & Roll™ System (3' AnglePRO® with Roller)
Boxed, 4.0lb, 1pk **28410**

Sell More!
Spray Tools!

Air Texture Hopper Gun

Spray acoustics, drywall, glitter, waterproofing and many other gravity-flow materials. 1-3/4 gallon plastic hopper. Die-cast metal gun with storage for nozzles and tools. 15 spray settings, 3 nozzles, including 1 oversize nozzle for heavy materials or large areas. Operates with any compressor with minimum 6-1/2 CFM at 25psi constant air-flow. (Not recommended for stain, house paint and lightweight liquids.)

Boxed, 5.0lb, 1pk **09980**

Replacement Parts Kit

Includes 8 hopper gun pieces: O-rings, spring, bonnet, gaskets, 3 replacement nozzles.

Boxed, 1.0lb, 1pk **09981**

AnglePRO® Spray Tip Extension with Swivel Control Helps You Paint More Jobs in Less Time!

The HYDE® AnglePRO® airless spray tip extension was designed by a professional painter specifically to give painters a competitive edge. Patented slide lever provides swivel control of the tip while painting, allowing for non-stop productivity. Changing the painting angle “on the fly” also helps you maintain a painting angle of 90° to the surface for optimum coverage. Lightweight, durable pole sets up easily. Simply flush with water or solvents for easy cleanup. Standard fittings for use with any tip or gun. Pressure rated 4000psi for most paint and coating applications.

Serious Contractors Get **HYDE**.[®]

**Pros choose HYDE[®] two to one
when preparing to paint.***

“Brand name is extremely important to me. Good professional tools last longer and have more durability on these jobs. They also save me manpower and keep my overhead low. With a HYDE[®] telescoping spray pole, I just sprayed two entire buildings without touching a ladder! **Good brands do good jobs.**”

05520	Economy Series 2" Plastic Tool (40)
05530	Economy Series 3" Plastic Scraper (20)
05540	Economy Series 4" Plastic Joint Knife (20)

Hyde Tools offers a complete line of “pull” scrapers for tough scraping and stripping applications. For maximum efficiency, choose a MAXXGRIP PRO® carbide scraper with sharp carbide blades that last many times longer than conventional blades. All HYDE® paint scrapers incorporate ergonomically shaped handles that keep the hand safely away from the scraping surface and the tool positioned for maximum power.

Choose from the following options:

- One-handed scraping or two-handed using a pull-knob
- Multiple scraping edges for longer use before replacing blades
- 4-edge scrapers with 2 rough edges and 2 smooth edges
- Heavy duty carbide scrapers with blades that stay sharp 10 times longer than conventional blades
- Specialty scrapers for contour scraping or burn-off scraping with a heat gun

10620

MAXXGRIP PRO® Heavy Duty Carbide Scrapers

Contractors tell us they can scrape an entire house without changing blades using these tungsten carbide scrapers! Comfortable, soft-grip handles angled for better leverage. *Full guarantee. See page 13 for full warantee information. U.S. Patent 6453563

Hyde Tools offers some of the most effective home repair solutions on the market, from our WET & SET® wall and ceiling repair patch to professional new tools for recaulking tub and tile.

Many of our tools are now also available in HYDE® RePairs™ Value Packs, project-oriented kits for the growing demand in home and apartment repairs.

For a better finish, start with HYDE.™

HYDE® RePairs™ Value Packs A Great New DIY Retail Opportunity

This new line of HYDE® RePairs™ Value Packs offers quick, easy solutions for common home repair projects, from wallpaper removal to wall patching and window painting. Items are paired together to provide project-oriented solutions to everyday problems for your customers' convenience.

Each item in the line is attractively merchandised to capture both impulse and destination sales.

New!

Wallpaper Repair

A sturdy HYDE® seam roller and one-half ounce of wallcovering adhesive. Just right for resealing wallpaper seams and corners in a one-room renovation.

Item/Pack Size

HYDE® RePairs™ Wallpaper Repair
Carded, 1.0lb, 5pk

Item Number

49931

Wallpaper Remover

This pairs the patented HYDE® scoring tool with a 4-1/2", heavy duty wallpaper scraper. The scoring tool scores wallpaper without damage to the wall. Stainless steel teeth score the surface to allow steam or liquid to penetrate before scraping.

Item/Pack Size

HYDE® RePairs™ Wallpaper Remover
Carded, 2.5lb, 5pk

Item Number

49932

Wallpaper Stripping

This lightweight HYDE® wallpaper shaver has a reversible blade that's remarkably easy to reverse or replace. It comes with enough paste remover concentrate to make two gallons of fluid.

Item/Pack Size

HYDE® RePairs™ Wallpaper Stripping
Carded, 3.0lb, 5pk

Item Number

49940

Drywall Repair

This value pack pairs a 4", flexible MAXXGRIP PRO® joint knife with 25 feet of self-adhesive mesh joint tape. The joint knife has a comfortable, soft-grip handle and Hammer Head® end for setting nails.

Item/Pack Size

HYDE® RePairs™ Drywall Repair
Carded, 3.0lb, 5pk

Item Number

49930

U.S. Patents 5956799, 6726868

Amazing Hole Repair

The latest technology in permanent wall repair. Two 5" sheets of WET & SET® wall and ceiling repair patch come with spackling compound and smoothing tool for repairing drywall, plaster or stucco.

Item/Pack Size	Item Number
HYDE® RePairs™ Amazing Hole Repair Carded, 3.0lb, 5pk	49933

U.S. Patent 6071833

Wall & Trim Touch-Up

The 1-1/2" MAXXGRIP PRO® putty knife comes with 2 ounces of spackling compound for touching up drywall or plaster.

Item/Pack Size	Item Number
HYDE® RePairs™ Wall & Trim Touch-Up Carded, 3.0lb, 5pk	49934

U.S. Patents 5956799, 6726868

Glass & Mirror Scraper

Who doesn't want a window scraper on hand? This one is a heavy duty DELTA™ scraper from HYDE®. Comes with a convenient 10-blade dispenser with used-blade storage.

Item/Pack Size	Item Number
HYDE® RePairs™ Glass & Mirror Scraper Carded, 1.5lb, 5pk	49935

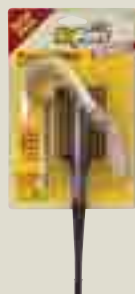

Utility Knife Set

Two all-purpose knives for opening boxes, cutting drywall, slicing vinyl or many other uses. Mini top slide fits in your pocket!

Made in China

Item/Pack Size	Item Number
HYDE® RePairs™ Utility Knife Set Carded, 2.0lb, 5pk	49944

Prepare to Paint

A handy collection of tools — a sturdy pail opener, 1 gallon paint mixer and two offset pail hooks that keep your pail positioned to the side of the ladder. Ready to paint!

Made in USA and China

Item/Pack Size	Item Number
HYDE® RePairs™ Prepare to Paint Carded, 2.0lb, 5pk	49937

Paint Windows & Trim

This professional-quality tapered brush and 10" trim guide will help homeowners paint windows and other tight spots with confidence. A unique set with many applications.

Made in USA and France

Item/Pack Size	Item Number
HYDE® RePairs™ Paint Windows & Trim Carded, 1.0lb, 5pk	49936

800-USA-HYDE (872-4933)

REPAIR

WET & SET® Wall & Ceiling Repair Patch

Amazing Hole Repair!

There simply is no easier or more foolproof way to permanently repair wall damage!

With this revolutionary fabric patch, you simply cut, wet and press the WET & SET® patch over the damaged area. It dries hard in minutes, forming a polymer adhesion that will never peel or delaminate. Stains, holes, cracks and crumbling damage disappear within seconds, replaced by a hard, permanent patch that's ready for a finish coat within 15-30 minutes.

WET & SET® can be used on drywall, plaster, stucco and even wood! Because it contains patching compound, WET & SET® usually requires only one thin finish coat. Even large repairs can be completed in hours, start to finish!

Available in flat sheets, or economical contractor's roll for long cracks or multiple holes. For larger holes up to 7", use two overlapping layers.

U.S. Patent 6071833

Flat Sheet 5" x 15" (127mm x 381mm) Bagged, 2.8lb, 30pk	09910
Contractor's Roll 5" x 9' (127mm x 2.74m) Boxed, 5.0lb, 12pk	09911

WET & SET® Merchandisers

This innovative product is delivered in attractive counter merchandisers that can sit in high-traffic areas to stimulate sales.

Bear Claw™ Drywall Repair Clips Make Small Work of Big Repairs

These simple clips are the fastest, easiest way to repair any size hole in drywall and plaster without cutting back to the studs. It takes only minutes to achieve professional results! Especially helpful in reusing cut-out portion of drywall after accessing wall interiors for plumbing or electrical repairs. No tools required. One-hour fire rated.

U.S. Patents 6209277, 6088986, D4427509

1/2" Clips (12mm) Pkg. of 8 Carded, 2.1lb, 20pk **09037**

1/2" Clips (12mm) Pkg. of 50 Clam pack, 0.4lb, 1pk **09038**

5/8" Clips (16mm) Pkg. of 8 Carded, 2.1lb, 20pk **09042**

5/8" Clips (16mm) Pkg. of 50 Clam pack, 0.4lb, 1pk **09043**

Self-adhesive Wall Patches

Patch walls, ceilings and hollow core doors. Self-adhesive fiber-glass mesh eliminates need for preplastering. Perforated aluminum plate covers large holes, cracks and corners.

Item/Pack Size	Item Number
Wall Patch, 4" x 4" (102mm) Carded, 0.5lb, 10pk	09898
Wall Patch, 4" x 4" (102mm) Carton, 2.5lb, 50pk	09903
Wall Patch, 6" x 6" (152mm) Carded, 1.0lb, 10pk	09899
Wall Patch, 6" x 6" (152mm) Carton, 5.0lb, 50pk	09904
Wall Patch, 8" x 8" (203mm) Carded, 1.5lb, 10pk	09007
Wall Patch, 8" x 8" (203mm) Carded, 3.0lb, 25pk	09008

Crack Opener

Clean and open cracks for patching. Carbon steel blade, hardwood handle, plated metal ferrule. Tool measures 6" (152mm) overall.

Item/Pack Size	Item Number
Crack Opener Carded, 0.7lb, 5pk	45400

Crack Patcher

Plated steel patching tool for drywall, masonry and plaster patching. Two ends: flat bell and pointed.

Item/Pack Size	Item Number
Crack Patcher Carded, 1.0lb, 10pk	45450

Two Unique New Caulk Tools for Pros and Do-It-Yourselfers

Caulk-Away PRO™
removes caulk

Caulk-Rite PRO™
applies caulk

New!
from **HYDE**®

Caulk-Away PRO™ removes old caulk quickly and cleanly! Two sharp blades reach into tight channels and corners to shave caulk clean from tile or window mullions. Powder-coated metal with replaceable metal blades.

U.S. Patent 6035536 Canadian Patent 158873 EU Patent 853711

Caulk-Away PRO™ Carded, 0.3lb, 5pk **43600**

Replacement Blades Carded, 0.1lb, 5pk **43605**

Caulk-Rite PRO™ lays down a perfect bead of replacement caulk. No messy residue, no edge marks, no contaminating uncured caulk by using your fingers! Suitable for silicone, latex and acrylic. Powder-coated metal with replaceable pads. Wipes clean when done.

U.S. Patent 6219878 Canadian Patent 158873 EU Patent 853711

Caulk-Rite PRO™ Carded, 0.3lb, 5pk **43610**

Replacement Pads Carded, 0.3lb, 5pk **43615**

23" Caulk Project Center

Great new project center for tub, tile and window re-caulking or re-grouting. Professional and DIY caulk tools for removing and re-applying caulk are accompanied by a caulk gun appropriate to the job. Pre-marked vinyl, pegs and section sign.

22" w x 18" h Wall Display, 7 Tools/33 Items **48510**

Caulk Guns

Hyde Tools provides a full line of high-quality caulk guns for both professional and do-it-yourself users. All HYDE® caulk guns are rated to withstand a minimum test force of 200 pounds for professional use or 150 pounds for homeowner use. Most feature a new generation of quick-release thumb levers or StopDrip engineering, a HYDE® design that allows the user to instantly stop the flow of caulk. Selected models include built-in ladder hook, wrist strap, spout cutter and seal puncture tool.

Black & Silver® Heavy Duty Professional Caulk Gun

Heavy duty plated-steel frame with powder-coated barrel resists corrosion. Contoured squeeze trigger for maximum leverage, plus built-in spout cutter, heavy duty seal puncture tool and ladder hook.

Item/Pack Size	Item Number
Ratchet Rod Caulk Gun 9"/10oz Labeled, 9.8lb, 6pk	46415

Heavy Duty Professional Caulk Gun

Chrome-plated, corrosion-resistant steel frame outfitted with a contoured squeeze trigger and built-in spout cutter, puncture tool and ladder hook.

Item/Pack Size	Item Number

Hyde Tools has been in the drywall business since the 1950s, when we developed the industry's very first joint knife. Today, HYDE® is not only a preferred brand of contractors – it's also the brand most retailers name when asked who they expect to drive their future drywall business!* We continue to work hard toward that goal with new and innovative tools for the professional user.

For a better finish, start with HYDE.™

* Per Home Improvement Executive independent research

Black & Silver® Joint Knives Guaranteed Forever*

Classics! Our Black & Silver® tools are the standard of the industry. These high-quality joint knives have the superior blade flexibility required for a professional finish. Full-length blade is permanently secured to the handle using metal grommets and a unique interlocking technology. Available in high carbon steel and rust-resistant stainless steel.

Large grommeted holes for hanging

Easy-cleanup nylon handles resist wear, abrasion and common paint thinners

Sturdy, full-tang blades are tempered, ground, polished and mirror finished

High-quality steel is ground to a controlled thickness

Heavy duty rigid plastic mud pan with molded blade-wiping edges.

Plastic Mud Pan
3-1/4" Deep

Item/Pack Size

Item Number

12" Mud Pan (305mm) Labeled, 5.5lb, 10pk **09060**
Measures 4-3/4" x 13-3/4" at top, 2-5/8" x 12-1/2" at bottom

Put Some Power Behind Your Drywall Mixers

HYDE® offers a full line of hand-held and power-driven mixers for use with drywall compound, driveway sealer, paint, waterproofing and other materials.

Mudslinger® Power Mixers

Heavy duty Mudslinger® mixers can be used with all kinds of compounds, paints and sealers. Models range in size from 1-3/4" diameter for mixing through a container bung/opening to 4" diameter for 5 gallon containers. Welded steel with hexagonal shaft for positive chuck engagement.

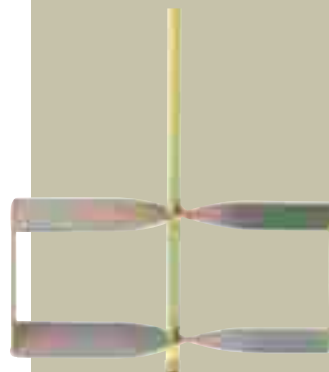

Item/Pack Size	Item Number
1-5 gallon Carded, 2.3lb, 4pk 1-3/4" diameter x 3/8" x 19"	46540
1-5 gallon Carded, 2.5lb, 4pk 2-1/4" diameter x 3/8" x 16"	46555
5 gallon Carded, 2.6lb, 4pk 3-1/4" diameter x 3/8" x 16"	46560
5 gallon Carded, 6.5lb, 4pk 4" diameter x 3/8" x 23-1/2"	46565

24" Power Mixer

Plated steel mixer with two fixed impellers for use with 1/2" or larger low-rpm electric drill. 5" diameter impellers. Use with drywall compound, driveway sealer and other materials.

Item/Pack Size	Item Number
Power Mixer Labeled, 3.7lb, 2pk	09105

28" Power Mixer For 5 to 55 Gal. Drums

Rugged welded steel mixer for use with 1/2" or larger low-rpm electric drill. Plated to resist corrosion. 3/8" hexagonal shaft extends 1/2" below impeller to prevent bottoming out and damage to bottom of bucket.

Item/Pack Size	Item Number
Power Mixer Labeled, 10.5lb, 5pk	09059

24" Heavy Duty Power Mixer For Wet or Dry Mixing

High-performance mixer for use with electric drills. Mix cement, mortar, driveway sealer, drywall compound, paint, paste, adhesive and more. Nonstick polypropylene blades won't damage buckets. 5" diameter double impeller. 3/8" plated steel shafts.

Item/Pack Size	Item Number
Power Mixer Carded, 4.8lb, 4pk	09114

31" Mud Masher

Mix mud in 5 gallon pails. 6" heavy-gauge steel mixing grid with metal ferrule and sturdy wood handle.

Item/Pack Size	Item Number
Mud Masher Labeled, 9.5lb, 5pk	09066

800-USA-HYDE (872-4933) • www.hydetools.com

Air Texture Hopper Gun
 1-3/4 gal. plastic hopper. Die-cast metal gun with storage for nozzles and tools. 15 spray settings. Three nozzles, including one oversize nozzle for heavy materials or large areas. Operates on any compressor with minimum 6-1/2 CFM at 25psi constant airflow.

Item/Pack Size	Item Number
Hopper Gun Boxed 5.0lb, 1pk	09980
Replacement Parts Kit (Includes 8 hopper gun pieces: O-rings, spring, bonnet, gaskets, 3 replacement nozzles.) Bagged, 0.1lb, 1pk	09981

AnglePRO® HP7000
 Airless tip extension pressure rated to 7000psi for use with texture and specialty coatings. Swivel-tip control to maintain a 90° angle to the surface. Aircraft-grade anodized aluminum pole with standard fittings for use with any standard tip and gun.

Spray Under Pressure!

Item/Pack Size	Item Number
3' AnglePRO® HP7000 Airless Tip Extension Boxed, 3.0lb, 1pk	28265

For a complete selection of HYDE® Spray Poles and Accessories, see pages 7-10.
 Patents pending

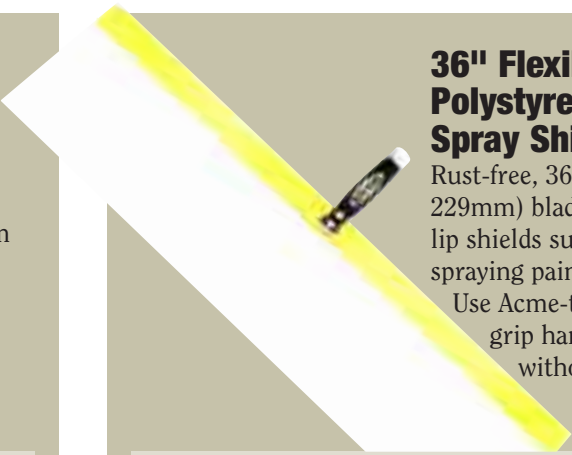

Texture Brushes
 Natural hemp fiber bristles produce textured surfaces on ceilings or walls. Acme thread fits all standard poles and handles.

Item/Pack Size	Item Number
Single Brush Labeled, 4.0lb, 5pk	09880
Double Brush Labeled, 9.0lb, 5pk	09885

Long-handle Joint Knife
 Blue steel blade with rounded corners is reinforced for flexibility. Lightweight 12" aluminum handle is 1-3/8" diameter.

Item/Pack Size	Item Number
Joint Knife Labeled, 3.3lb, 5pk	09875

36" Flexible Polystyrene Spray Shield
 Rust-free, 36" x 9" (914mm x 229mm) blade with runoff lip shields surfaces when spraying paint or texture. Use Acme-threaded soft-grip handle with or without extension.

Item/Pack Size	Item Number
Spray Shield Labeled, 4.9lb, 2pk	09996

DRYWALL

Squeegee Knockdown Knives

Flexible squeegees with aluminum backing and plastic handle – designed for knockdown texturing. Available in the third quarter of 2007. Call for details.

PROShield® Spray Shields

These professional-grade shields are available in both stiff and flexible aluminum and in high-impact polystyrene, with PivotNeck angle adjustment system. All come with 18" Acme thread hardwood handles or can be used with extension poles. See page 10 for order information.

U.S. Patent 4962722

Aluminum and polystyrene blades with runoff lip and PivotNeck

Drywall Finishing Trowels

HYDE® ergonomically designed finishing trowels are available in high carbon steel and stainless steel with a hardness of 52–54 HRC. Blades are permanently affixed to the shank for durability. Curved trowel options feather mud out from the joint for a smoother finish. Stainless steel blades have been tempered to a golden finish.

Ask for your free trowel rack with your first order of 5 HYDE® trowels.

DRYWALL

Masonry & Concrete Tools

From chimney-top to sidewalk, Hyde Tools manufactures a full line of high-quality professional tools for masonry and cement applications. Our contractor-quality spring steel blades have been tempered, hardened and polished for optimum flexibility, strength and finish. Every handle, whether wood or soft grip, is designed for comfort and easy cleaning. And every HYDE® tool is built to last through job after job.

For a better finish, start with HYDE.™

MAXXGRIP® Brick / Block Trowels

Soft, ergonomic handle. High carbon steel blade. Available in either Narrow London style or Philadelphia style. Blades are hardened, tempered, ground and polished. High-lift handle.

Item/Pack Size	Item Number
10" London Style Trowel, welded (254mm) Labeled, 4.0lb, 5pk	18095
10" Philadelphia Style Trowel, one-piece forged (254mm) Labeled, 4.7lb, 5pk	18090

London style trowels are the standard for laying brick. Notice the narrow tip, useful for pointing, and the rounded heel that forces mortar farther forward on the blade.

Philadelphia style trowels hold more mortar on the blade and are commonly used for laying block.

MAXXGRIP® Pointing Trowels

High-lift ergonomic handle provides maximum hand clearance and comfort. Forged one-piece shank for strength. High carbon steel blades are hardened, tempered, ground and polished for ideal strength, flexibility and finish. Philadelphia style.

Item/Pack Size	Item Number
5" Pointing Trowel (127mm) Labeled, 2.0lb, 5pk	18075
5-1/2" Pointing Trowel (140mm) Labeled, 2.3lb, 5pk	18100
7" Pointing Trowel (178mm) Labeled, 3.0lb, 5pk	18110

Economy Brick/Pointing Trowels

Philadelphia style trowels with tempered steel blades. High-lift molded polypropylene handles for good hand clearance, comfort and easy cleanup.

Item/Pack Size	Item Number

New!
from **HYDE®**

www.hydetools.com

HYDE® has the right tool for every tile or adhesive project, from installing wall tile to updating old flooring with vinyl, quarry tile or other popular coverings.

For a better finish, start with HYDE.™

Hyde Tools offers a wide range of long-handled, heavy duty scrapers for scraping paint, removing floor tiles, stripping roofs and other tough applications. Scraper options include:

- **Bent blades** to avoid hand contact with chemical removers or scraping surface
- **Chisel-style blades** for heavy duty scraping
- **Brass blades** for non-spark use or for scraping easily damaged surfaces
- **Hammer-scraper blades** for chopping, digging and scraping
- **Acme-threaded handles** for use with extension poles
- **Handle shields** to deflect debris

**MORE PAINT SCRAPERS
PAGES 12-16, 18-21**

Square-notch
1/16" x 1/16" x 1/16"

Carpet, wall tile, vinyl and vinyl materials.

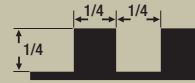

Square-notch
1/16" x 1/32" x 1/16"

For vinyl and vinyl materials.

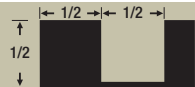

Square-notch
1/16" x 3/32" x 1/16"

For rubber and plastic materials, vinyl sheet and lightweight flooring.

Square-notch
1/4" x 1/4" x 1/4"

For medium floor and wall tile and laminated wood plank flooring.

Square-notch
1/2" x 1/2" x 1/2"

Thin-set or medium-bed mortar application of natural stone, quarry tile, selttilo, pavers, EIFS and large ceramic tile.

Square-notch
1/4" x 3/8" x 1/4"

For quarry tile, pavers and thin-set application of larger ceramic tile.

V-notch
1/4" x 1/4" x 1/4"

For carpet, wall tile, laminated wood planks, solid wood and bamboo.

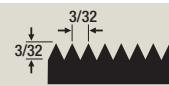

V-notch
1/4" x 3/8" x 5/16"

For plank flooring.

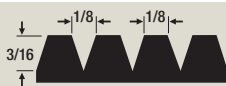

V-notch
1/4" x 5/32"

For wallboard, metal and ceramic tile.

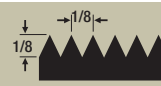

V-notch
3/32" x 3/32"

For wallboard, metal and ceramic tile.

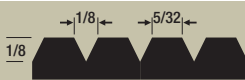

V-notch
1/8" x 3/16" x 1/8"

For wallboard, metal and ceramic tile.

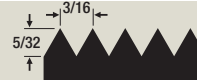

V-notch
1/8" x 1/8"

For plastic, wallboard, ceramic and metal tile.

V-notch
1/8" x 1/8" x 5/32"

For wallboard, metal and ceramic tile.

V-notch
3/16" x 5/32"

For wallboard, plastic, carpet and ceramic tile.

V-notch
3/32" x 1/8" x 15/32"

For special adhesive applications.

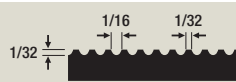

V-notch
1/4" x 5/32"

For linoleum and asphalt materials.

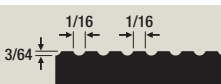

U-notch
1/16" x 1/32" x 5/64"

For vinyl and other materials.

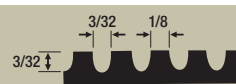

U-notch
1/16" x 1/32" x 1/32"

For vinyl, vinyl materials, linoleum, vinyl-backed wood planks, and asphalt.

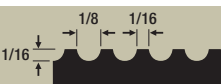

U-notch
1/16" x 3/64" x 1/16"

For vinyl and vinyl materials.

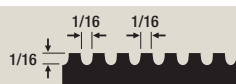

U-notch
3/32" x 3/32" x 1/8"

For linoleum and asphalt materials and general flooring.

U-notch
1/8" x 1/16" x 1/16"

For general flooring.

U-notch
1/16" x 1/16" x 1/16"

For linoleum, carpet, ceramic tile and asphalt materials.

MAXXGRIP® Adhesive Trowels

Comfortable MAXXGRIP® handle is ergonomically superior and very easy to clean. No grooves or pinholes in handle to catch adhesive. 4-1/2" x 11" carbon steel blade, hardened and tempered to hold its shape. Cast aluminum handle spine riveted to blade for increased durability.

Item/Pack Size	Item Number

SwitchBlade® Self-retracting Safety Knives

Designed to cut open everything ... except your employees' fingers.

Industry leaders tell us HYDE® safety knives and box cutters cut far more than packages – they cut down on workplace injuries! One major retail distribution center featured in *Occupational Health and Safety* magazine credited HYDE® brand safety knives and box cutters for significantly reducing their number-one injury: a cut to the left thumb while opening boxes. Can Hyde Tools help you do the same with these patented SwitchBlade® safety knives?

U.S. Patent 5012581 U.S. & Canadian Patent 1332784

**Cut the box.
Not the contents!**

To switch from right-hand use to left-hand operation, simply rotate the blade position.

Blade is engaged only during thumb or cutting pressure. When pressure stops, blade retracts.

Round-tip blades prevent accidental puncture wounds. Controlled blade exposure means you cut the box, not the contents.

 <p>SwitchBlade® Industrial Strength Metal Top-of-the-line, die cast zinc alloy with steel spring and slide. Highly visible orange finish. 1 heavy duty round-tip blade included; also accepts pointed tip blade.</p>	Item/Pack Size	Item Number

 <p>SwitchBlade® Ultra-light Polypropylene Steel spring withstands some heavy cutting. Use round-tip blades only. Change blade or blade orientation without tools.</p>	Item/Pack Size	Item Number
	Long blade exposure 11/16" Carded, 1.0lb, 10pk	42060
	Short/long blade exposure options 5/16" or 1/2" Carded, 1.0lb, 10pk	42056

Snap-off Utility Knives

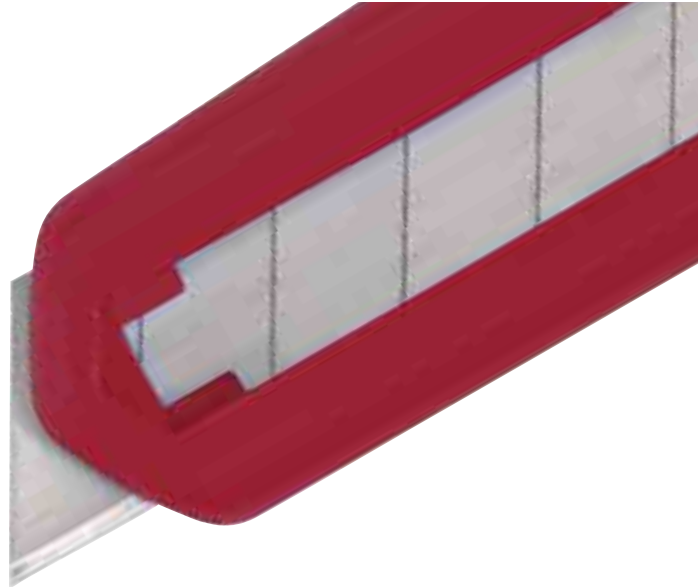

Snap-off knives are great for fast-production cutting, where quick blade replacement can save valuable time and money. To refresh the blade, simply snap off the point to reveal a fresh one. No tools required. All HYDE® snap-off knives have built-in blade breakers for added convenience.

Selecting Snap-off Knives

Use 9mm blades to cut cardboard, paper and wallpaper. For heavier materials such as carpeting and drywall, use 18mm blades.

Snap-off Blade Instructions

To snap off blade: Retract blade fully. Remove endcap/blade breaker. Extend blade to expose one full segment only. Insert used blade segment fully into blade breaker slot. Hold scored side of blade away from body. Grasp knife and blade breaker firmly. Slowly rotate hands away from

body until the blade segment snaps off. Retrieve and dispose of used blade segment safely. Replace endcap/blade breaker.

Auto-load Snap-off

Magazine-fed utility knife carries 8 blades (40 points) at a time and automatically loads the next blade quickly and easily. Retractable blade with 2-piece auto-lock holds blade securely. 1 magazine included.

Industrial Knives and Blades

A collection of various industrial knives and blades, including utility knives, hand knives, and specialized blades, are shown in a leather tool roll. The knives have different handle materials like wood and green plastic, and blades of various shapes and sizes. The background is dark, making the tools stand out.

Hyde Tools makes custom-tailored “tools of the trade” that professionals in many fields use to work quickly and precisely. There are utility knives and hand knives for flooring and roofing ... wood carving ... pottery and ceramic work ... cable trimming and splicing ... even specialized blades for cutting stencils and insulation. They are all part of the most complete line of industrial and safety hand knives in the world.

Whatever you need, either we’ve already made it or we’ll make you one right now, to your order. Just give us a call.

For a better finish, start with **HYDE™**

Mill Blades

Each HYDE® tool was designed with a carefully determined shape, length, width and features to solve individual problems – sharp point knives to gouge leather, square point knives for slabbing/stripping paper rolls, industrial butcher knives for cutting tire rubber. Practically everything made of wood, paper, cloth, rubber, leather or plastic had HYDE® hand knives involved at some stage of manufacture or use. That's still true.

MAXXGRIP® 4-3/8" Mill Blade Handles

Ergonomically designed soft-grip handles fit your fist for less user fatigue. They're cushioned to absorb shock and perform comfortably during extended use. Lightweight, die cast alloy body construction, slotted set screw blade adjustment.

For 9/16" and 5/8" blades 2.3lb, 10pk	63055
For 5/8" and 3/4" blades 2.3lb, 10pk	63085
For 3/8" blades 2.3lb, 10pk	63175

67390

Double-end Hook High-speed Steel (4502M), 22 Gauge (.71mm)
4" x 3/8" x .028" Blade 0.3lb, 10pk

67450

Flat-grind (BG71A), 15 Gauge (1.83mm)
6-1/2" x 3/4" x .072" Blade 4.5lb, 50pk

62720

Flat-grind (080), 16 Gauge (1.65mm)
6" x 9/16" x .065" Blade 0.5lb, 10pk

62030

Flat-grind (081), 15 Gauge (1.83mm)
9" x 5/8" x .072" Blade 1.0lb, 10pk

62090

	Bevel-grind (081), 15 Gauge (1.83mm) 9" x 5/8" x .072" Blade 1.0lb, 10pk	62120
	Flat-grind, High-speed Steel (5532M), 15 Gauge (1.83mm) 6-3/8" x 3/4" x .072" Blade 1.0lb, 10pk	62810
	Bevel-grind, High-speed Steel (3551M), 17 Gauge (1.47mm) 5-1/2" x .690" x .058" Blade 0.5lb, 10pk	62875
	Flat-grind, High-speed Steel (BG77M), 12 Gauge (2.77mm) 3-7/8" x 9/16" x .109" Blade 5.0lb, 10pk	62930
	Flat-grind, High-speed Steel (4546), 12 Gauge (2.77mm) 3" x 5/8" x .109" Blade 3.3lb, 100pk	63020
	Flat-grind (086), 15 Gauge (1.83mm) 9" x 3/4" x .072" Blade 1.0lb, 10pk	62180
	Flat-grind (2607), 15 Gauge (1.83mm) 6" x 3/4" x .072" Blade 1.0lb, 10pk	62480
	Flat-grind (BG20), 15 Gauge (1.83mm) 6-1/2" x 3/4" x .072" Blade 4.3lb, 50pk	62660
	Flat-grind (087), 15 Gauge (1.83mm) 6" x 5/8" x .072" Blade 0.8lb, 10pk	62300
	Flat-grind, High-speed Steel (087), 15 Gauge (1.83mm) 6" x 5/8" x .072" Blade 0.5lb, 10pk	62330
	Bevel-grind (087), 15 Gauge (1.83mm) 6" x 5/8" x .072" Blade 0.5lb, 10pk	62360
	Short-curve, High-speed Steel (BG469), 15 Gauge (1.83mm) 6-1/2" x 3/4" x .072" Blade 0.5lb, 10pk	62900
	Flat-grind (088), 15 Gauge (1.83mm) 6-1/2" x 3/4" x .072" Blade 0.8lb, 10pk	62420
	Flat-grind, High-speed Steel (088), 15 Gauge (1.83mm) 6-1/2" x 3/4" x .072" Blade 0.8lb, 10pk	62450
	Double-end, High-speed Steel, 15 Gauge (1.83mm) 5" x 3/4" x .072" Blade 0.5lb, 10pk	62460
	Bevel-grind, High-speed Steel (BG182M), 15 Gauge (1.83mm) 6-1/2" x 3/4" x .072" Blade 0.5lb, 10pk	62600
	Bevel-grind, High-speed Steel (BG183M), 16 Gauge (1.65mm) 6-1/2" x 3/4" x .065" Blade 3.0lb, 50pk	62630
	Bevel-grind (BG57), 15 Gauge (1.83mm) 6-1/2" x 3/4" x .072" Blade 1.0lb, 10pk	62750
	Hook-blade (BG448A), 16 Gauge (1.65mm) 6-3/8" x 5/8" x .065" Blade 3.8lb, 50pk	67240
